

## CIVIC HALL TVs: TECHNICAL SPECIFICATIONS

The Craig Newmark Auditorium on the 2<sup>nd</sup> floor of Civic Hall has two 85” TVs evenly spaced along the south wall.

There are six 85" TVs on the 3<sup>rd</sup> floor

- One in Room A
- Two in Room B
- One in Room C
- One in Room D
- One in Room E

## Room A

## Room B

## Room C

## Room D

## Room E

All TVs have articulating mounts so they can easily pull away from the wall and have HDMI inputs for local connection.

The two TVs on the 2<sup>nd</sup> floor as well as the TVs in Rooms A & B on the 3<sup>rd</sup> floor can show content from:

- three BrightSign digital signage players capable of stills or video loops
- a laptop / computer connection
- the live feed from the camera(s) on the 2<sup>nd</sup> floor
